NIV CME Workshop: Transforming Care

The Non-Invasive Ventilation (NIV) CME Workshop, titled Transforming Care: NIV Essentials for Today's Critical Care Therapists, was successfully conducted on 14th March, 2025 with the participation of critical care therapists, nurses and doctors. The event was organized by the faculty Doctors and Therapists of the Department of Critical Care under the leadership of Dr. Binila Chacko and Dr. A. Thomas Isiah Sudarsan. This course was designed to equip health care professionals with the essential knowledge and hands-on skills needed to optimise non-invasive ventilation for patients.

Event Highlights

The workshop commenced with the inauguration and prayer by Chaplain Rev. Vijayakumar. The academic sessions consisted of essential topics on Basic Physiology and Mechanics of NIV, bedside use of NIV in critically ill patients with various forms of Respiratory failure and the application of NIV / HFNC in other ICU settings. These comprised didactic lectures and intuitively designed hands-on stations for the participants. The event concluded with the quiz competition on the subject of the CME, and prizes as well as participation certificates were distributed. The workshop witnessed the enthusiastic participation of healthcare professionals, including Critical Care Therapists, Nurses and Trainee doctors. We extend our sincere gratitude to the Medical Superintendent's Office, Principal's Office, and the Nursing Service Department for their unwavering support in organizing this successful workshop. The NIV CME Workshop was a fulfilment towards an unmet educational need for Critical Care Therapists from various institutions and Hospitals, and the Department of Critical Care endeavours to conduct similar training on other aspects of Critical Care Therapy.

3rd Empowered to Excel as Efficient Leaders Training Programme

The 3rd – Empowered to Excel As Efficient Leaders Training Programme (EXCEL) was held on 12th March, 2025. This programme, attended by 18 participants, is a collaborative effort by the Department of Hospital Management Studies & Staff Training and Development, the Directorate of HR, Mission Department and the Principal's Office. EXCEL aims to equip doctors with essential management knowledge and leadership skills for hospital operations, particularly in mission hospital settings. The programme commenced with an inaugural ceremony with a prayer and Bible devotion by Rev. Dr. Finney Alexander, HOD, Chaplaincy. Felicitations were shared by Dr. Vijay Anand Ismavel, Mission Network Consultant, along with Dr. Ann Miriam, Mission Network Consultant, and Mr. Ronald Simon, GM Officer, Hospital Management Studies and Staff Training & Development. The sessions were carefully designed to meet requirements for the effective management of Mission hospitals.

Dr. Solomon Sathishkumar, Principal, led an informative session on “Roles and Responsibilities of Posted Consultants”, emphasizing the importance of leadership and responsibility in mission hospitals.

Dr. Vijay Anand Ismavel, Mission Network Consultant, took effective sessions on “(Transforming Remote Rural Communities) Issues and challenges faced by mission hospitals”, “Administration in Mission Hospitals”, “Work with Poor and Marginalized People” and “Elements of Strategic Planning for Mission Hospitals”. The sessions were interactive and equipped the participants with essential knowledge.

Mr. Paul Chandrakumar, Treasurer, handled a thought-provoking session on “Financial Management” covering essential concepts in Accounts and Finance, Budgeting & financial control. Mrs. Divya, Legal Officer, delivered an information-filled session on “Legal Issues in Mission Hospitals - Key points to prevent patients’ litigations”, highlighting and emphasising the Consumer Protection Act and Statutory Requirement & licensing. Dr. Sowmya Sathyendra, Associate Director (HR), took an energetic session on “Human Resource Management”, a key element in running effective healthcare institutions. Ms. Bency Vinitha Chhatria, Administrative Assistant, Missions department, gave an overview of the assistance available from CMC to help participants and encouraged them to avail it to support their work.

The feedback from participants revealed that the programme was an eye-opener, particularly regarding the importance of management in running a department or hospital efficiently and sustainably. Participants found the concepts taught in the sessions valuable and felt they could apply the knowledge to improve operations and management in their workplaces.

Diploma in Hospital Administration (DHA)

The Department of Hospital Management Studies & Staff Training and Development (DHMSSTD), Christian Medical College Vellore, in collaboration with the Christian Medical Association of India (CMAI), New Delhi, started the Diploma in Hospital Administration (Distance Education Programme) course from 2019. This course was designed mainly for those working in the mission Hospitals willing to acquire the knowledge and skills needed to become efficient managers and leaders while continuing to serve their institutions. It is designed to equip the participants to integrate theoretical and scientific frameworks with their own experience to implement best practices in their hospitals, which would provide them the ability to deal with a range of management issues.

The sixth batch of participants had their mandatory contact programme from 10th to 22nd March 2025 at CMC Vellore. The contact classes started with prayer and a welcome address by Dr. Anila Chacko, Academic Officer representing the Principal, Dr. Solomon Sathishkumar. Mrs. Elsy Thomas, Secretary of the CMAI Administrator’s section, also addressed the participants. Throughout the two weeks contact programme, the day started with prayer followed by detailed classes on 8 subjects (Basic Principles of Management, Basic Accounting and Finance, Materials Management, Managing Patient Care and Hospital Facilities, Hospital Information Systems, Human Resources Management, Hospital Governance and Statutory requirements, Quality and Safety in Healthcare) led by various intramural and extramural faculty.

The 14 participants' profiles include medical doctors and administrators representing nearly 10 mission hospitals across the country. During the programme, the participants were taught about the theoretical and practical aspects of Hospital and Health Systems Management through interactions, department visits, presentations, group discussions, etc. All the participants well appreciated the programme through their lively participation and feedback. Admissions for the 7th batch are expected in July 2025. Notice: Missions Sabbatical for Reynolds Memorial Hospital & Affiliated Clinics, Washim, Maharashtra

CMC Vellore invites senior faculty who are eligible for sabbatical to take a missions sabbatical and help in pioneering the service at Reynolds Memorial Hospital.

The Missions Sabbatical is as per institutional policy and can be availed by confirmed staff who are eligible for sabbatical leave and does not entail a service obligation. During the period of mission sabbatical, the staff will continue to receive full salary in CMC, including other benefits. Travel and accommodation will be supported.

Reynolds Memorial Hospital in Washim, is an 89-year-old hospital, located in Vidarbha region of Maharashtra. Started in 1936 by Dr. Orpha Speicher an American missionary, from the Church of the Nazarene, it evolved from a mud walled school building to a thriving hospital and also pioneered in Nursing education to empower the local community

The region of Vidarbha figures as one of the worst drought-hit regions in the country and has been known for high farmer suicide rates. There is a great need for ethical, cost-effective medical care and also opportunity to bring about positive change in the region. A functional hospital committed towards delivering wholistic compassionate care is the need. Moreover, a base hospital is essential to continue training of qualified nurses who would respond to needs of the region

Since 2017 the hospital is managed under a tripartite management of Christian Medical College Vellore, Emmanuel Hospital Association and the Church of the Nazarene.

The hospital has good infrastructure with functional OPD area, Laboratory, X-ray machine, well equipped Labour room, newly constructed Operation theatre, medical ICU with ventilators, Oxygen plant etc.,

The hospital has an attached College of Nursing – the Nazarene Nurses Training College running ANM & B.Sc. Nursing programs with about 200 students and has a well set-up infrastructure

The need of the hour is for people who would be willing to join this endeavour and respond to the needs in this region. We invite doctors, nurses, allied health professionals, and anyone who is interested to partner and make a difference. Inviting individuals/couples to go as team of professionals for a period of 6 months to 1 year to meet this need.

Those interested please write to the Director Dr. Vikram Mathews at director@cmcvellore.ac.in with a copy to Associate Director (Missions) at missionsoffice@cmcvellore.ac.in or contact the Missions Department, Directorate at 0416-2286117 / 6229.
